Dear Patriot and Business Leader,

The Arkansas Military Veterans' Hall of Fame, Inc. (AMVHOF) is an Arkansas-based, incorporated nonprofit organization recognized under Section 501(c)(3) of the Internal Revenue Code (EIN: 27-3952941). Our mission is to publicly honor the service and sacrifice of Arkansas military veterans and their families and to highlight the distinction they have brought to our state and nation.

AMVHOF was founded following a series of conversations among Arkansas veterans in late 2010 regarding the need for a statewide veterans' hall of fame. When it became clear that no such organization existed in Arkansas, those discussions inspired the creation of one. On April 4, 2011, the Arkansas General Assembly and the Governor formally recognized the newly established AMVHOF through a Joint Resolution. Later that year, the first induction ceremony was held, honoring 15 Arkansas veterans and 25 Medal of Honor recipients.

The corporation is organized exclusively for charitable and educational purposes. More specifically, it exists to honor Arkansas military veterans and to educate Arkansans about their outstanding accomplishments through the Arkansas Military Veterans' Hall of Fame and the AMVHOF website.

Each year, at least one Medal of Honor recipient, if available, and no fewer than fifteen Arkansas military veterans are inducted into the Hall of Fame and presented with the Hall of Fame Medallion during the annual banquet in recognition of their service to our nation and to the State of Arkansas. Of the fifteen veteran inductees, up to seven are selected for valorous military service. Up to eight additional inductees are selected in one of two distinct categories: recognition for an exemplary military service career, or recognition for outstanding civilian volunteer service to veterans, local communities, the State of Arkansas, and the nation.

Today, we are inviting patriots, community leaders, and businesses like yours to stand with us through a meaningful partnership. Your support directly helps us honor Arkansas's military heroes, share their stories with the public, and inspire future generations to serve with courage, character, and commitment. Contributions to this program help sustain our mission by supporting the annual Induction Banquet—including costs such as inductee and spouse meals, centerpieces, and event materials—while also strengthening our Scholarship Program and general fund. Most importantly, your sponsorship is an investment in preserving the legacy of Arkansas veterans and ensuring their service and sacrifice are remembered for generations to come.

In the following packet, you will find several opportunities to partner with AMVHOF in a way that reflects your commitment to veterans, education, and community impact. We sincerely hope you will consider joining us in this important mission, and we thank you for helping us honor those who have served our state and nation with distinction.

Thank you,

AMVHOF Board of Directors
